

Core Knowledge

- A landmark is something that stands out in an area. It could be a building, a bridge, a lake or a river, a sculpture or something else. These places might be special because they are so big, nice to look at or really old.
- Famous landmarks around the world; Angel of the North, Leaning Tower of Pisa, Eiffel Tower, Statue of Liberty.
- Famous landmarks in Wales; Caernarfon Castle, Principality Stadium.
- Natural landmarks are naturally around us. Manmade landmarks are constructed by humans.

Home Learning

Explore your local environment:

- What can you see?
- What buildings are there?

Build a model of your favourite landmark using a variety of materials.

Construction

What do you think we can build?

Key Vocabulary

- Builder
- Survey
- Measurement
- Tools
- Materials
- Manmade
- Natural
- Yard
- Planning
- Wood
- Record
- Analyse
- Metal
- Plastic

Domain Themes

- Landmarks
- The Three Little Pigs
- Builder's yard
- Materials
- Measuring
- 3D shapes

Core Knowledge

- The Three Little Pigs. The materials used to build the houses. The brick house was the strongest.
- Materials used to make the manmade landmarks; steel, copper, concrete.
- Safety rules when looking at the builders Yard; safety helmet and clothes must be worn, no running, safety goggles, must be shown how to use equipment.
- Builders construct buildings and structures. Became a builder in our Builder's Yard.
- Identify patterns when forming a brick wall. A brick wall is laid to an offset pattern.
- Look at 3d shapes; cube, cuboid, cylinder, sphere to create our buildings.
